RHBIB-OPR-0037-FOR v8.0 1B Individual Retail & Islamic Account Opening Application Form

DEFINITIONS AND INTERPRETATION FOR INDIVIDUAL SELF CERTIFICATION

Individual Self-Certification

“Account Holder” means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example, in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

“Account Information” means any information relating to any account of a Customer with any of the RHB Group including without limitation the account number, account balance or value, currency denomination, gross receipts, withdrawals and payments to or from the account and the total gross amount of interest/profit paid or credited to the account.

“Authority” means any national, state, or local government, any political subdivision thereof, any agency, authority, instrumentality, whether judicial or administrative, regulatory or self-regulatory organisation, law enforcement body, court, central bank or tax or revenue authority in any jurisdiction whether within or outside of Malaysia.

“Controlling Person” are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity (“Passive NFE”) then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term “beneficial owner” described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, Controlling Person(s) means persons in equivalent or similar positions.

“Common Reporting Standard (CRS)” was developed in response to the G20 request and approved by the Organisation for Economic Co-operation and Development (OECD) Council on 15 July 2014, calls on jurisdictions to obtain information from their financial institutions and automatically exchange that information with other jurisdictions on an annual basis. It sets out the financial account information to be exchanged, the financial institutions required to report, the different types of accounts and taxpayers covered, as well as common due diligence procedures to be followed by financial institutions.

“Entity” means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

“Financial Account” means an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts as defined in FATCA and CRS regulations.

“Foreign Account Tax Compliance Act (FATCA)” which was passed as part of the Hiring Incentives to Restore Employment (HIRE) Act, generally requires that foreign financial Institutions and certain other non-financial foreign entities report on the foreign assets held by their U.S. account holders or be subject to withholding on withholdable payments. The HIRE Act also contained legislation requiring U.S. persons to report, depending on the value, their foreign financial accounts and foreign assets.

“Participating Jurisdiction” means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard.

“Person” means an individual, corporation, company, partnership, joint venture, trust, estate, Limited Liability Company, unincorporated organisation or other entity.

“Personal Information” in respect of a Customer and any Controlling Person, means: (i) where the Customer and any Controlling Person is an individual, his/her full name, date and place of birth, residential address, mailing address, contact information (including telephone number), and any taxpayer identification number (“TIN”), social security number, citizenship(s), residency(ies) and tax residency(ies) or (if applicable) such other information as the RHB Group may reasonably require regarding such Customer and any Controlling Person; (ii) where the Customer and any Controlling Person is a corporate/entity, its full name, date and place of incorporation or formation, registered address, address of place of business, tax identification number, tax status, tax residency, registered address, address of place of business, certification of its CRS status/classification or (if applicable) such other information as the RHB Group may reasonably require regarding each of its substantial shareholders and controlling persons.

“Residential/ Registered/ Permanent Address”. The residential/registered/permanent address MUST be supported by a documentary evidence issued by an authorised government body (e.g. NRIC, passport, business license).

“RHB” means RHB Bank Berhad, RHB Islamic Bank Berhad, RHB Investment Bank Bhd, RHB Asset Management Sdn. Bhd., RHB International Islamic Asset Management Berhad, RHB Bank (L) Ltd., and its respective affiliates, holding/subsidiaries, related companies and successors and assigns, where applicable.

“Tax Information” in respect of a Customer and any Controlling Person, means: (i) any documentation or information (and accompanying statements, forms, representations, waivers and consents as the RHB Group may from time to time require or as the Customer and any Controlling Person from time to time give) relating, directly or indirectly, to the tax status of the Customer and any Controlling Person; (ii) Personal Information of the Customer and any Controlling Person; (iii) Account Information; and (iv) any other information received by any member of the RHB Group in relation to the Customer, including (but not limited to) information collected and maintained pursuant to Anti-Money Laundering/ Know Your Customer (AML/KYC) procedures.

“Tax Resident” refers to the definition of tax residence by each participating jurisdiction as provided on [<http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#id.en.347760>]. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.

“TIN” (including “functional equivalent”) means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link [<https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers>].

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for Entities, a Business/company registration code/number.
